

Become a pilot

Get to know the LOT Flight Academy offer and join the group of students of one of the best pilot schools in Poland!

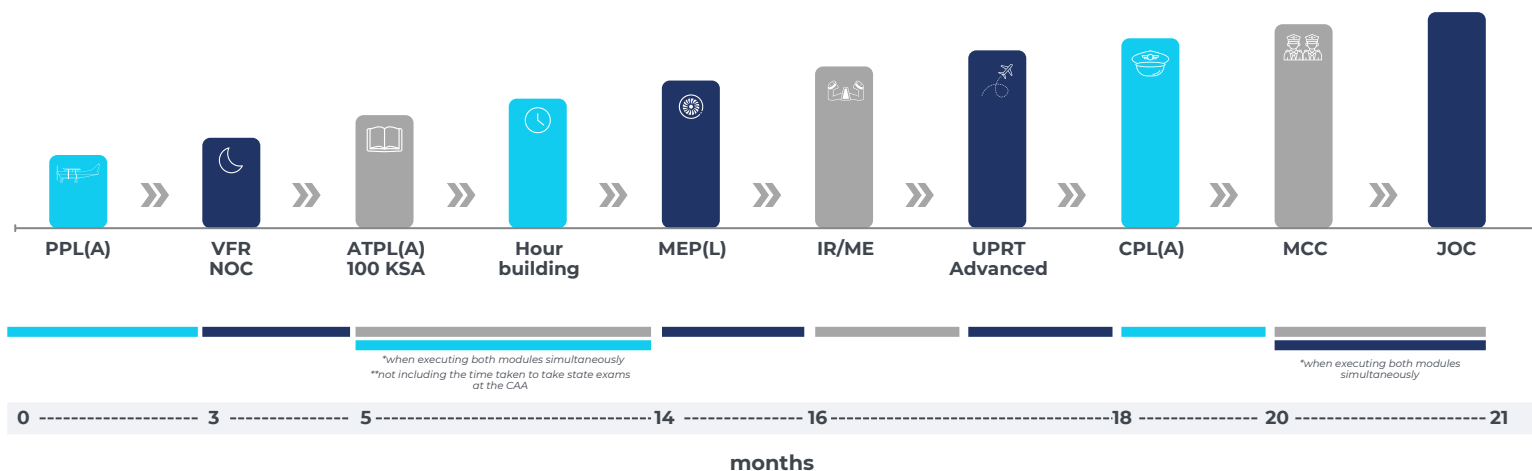

ABOUT US

We are a modern training center, established under the wings of the **largest airline in Poland**. At LOT Flight Academy, we offer a full range of aviation trainings, both theoretical and practical, that will allow you to work as an airline pilot. Modern equipment and the experience of our instructors and lecturers are a guarantee of **high quality and professionalism**. We offer training on two aircraft models: the single-engine **Tecnam P2008JC** and the twin-engine **Tecnam P2006T**.
